

MathType per Google Docs

Per utilitzar el MathType al drive hem d'obrir un document qualsevol i seguir els següents passos:

Anem a **Complements** i fem click a **Baixa complements**

S'obrirà aquesta finestra, seleccionem **MathType**:

The screenshot shows the G Suite Marketplace interface. At the top, there's a search bar with the placeholder "Buscar en apps" and several icons: a gear, a question mark, a refresh arrow, and a close button. Below the header, a banner says "Funciona con Documentos". The main area displays a grid of add-ons:

Premem **Instalar**:

The screenshot shows the G Suite Marketplace page for the MathType add-on. At the top, there's a search bar with the placeholder "Buscar en apps". Below the search bar, there are icons for settings, help, and sharing, followed by a close button. The main title is "MathType" by WIRIS, with a large red checkmark icon. It has a rating of ★★★★☆ (1174) and 8.277.486 installations. A button labeled "Instalar" (Install) is prominent. Below the button, a preview window shows a Google Docs interface with the MathType toolbar integrated. The toolbar includes standard document tools like File, Edit, View, Insert, Format, Tools, and Table, along with specific MathType options like "Document add-ons", "MathType Beta", "Get add-ons...", and "Manage add-ons...". A sample document in the preview shows a quadratic formula $x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$, a chemical equation $H_2(g) + O_2(g) \rightleftharpoons 2H_2O(l)$, and a surface area formula for a cylinder. A note states: "In elementary algebra, the quadratic formula is the solution of the quadratic". Below the preview, there's a section titled "Información general" with the text: "Type and handwrite mathematical notation. The popular equation editor now in Google Docs. Support for chemical notation included." A "GET IT FOR FREE - ONLY FOR EDUCATIONAL INSTITUTIONS" button is at the bottom.

Premem **Continuar**:

This is the first step of a setup wizard titled "Prepárate para la instalación". It features a large red checkmark icon and the text: "Para iniciar la instalación de **MathType**, antes debes dar permiso." Below this, a note says: "Al hacer clic en Continuar, aceptas que tu información se utilice de conformidad con las [condiciones de servicio](#) y la [política de privacidad](#) de esta aplicación." At the bottom, there are two buttons: "CANCELAR" and "CONTINUAR", with "CONTINUAR" highlighted with a red border.
